

At Walters & Wolf, we construct our team carefully, hiring the best and the brightest. We find many prospects with potential through our comprehensive college recruitment program. If you're a scholastic luminary and you crave the opportunity to work with a unique team on challenges that require creativity, innovation, and tenacity, we may have a place for you. We seek out fresh perspectives because they help keep our company creatively agile and competitive. We recruit people looking to not just launch their careers with us, but to rear them here as well.

Contact us to find out more about upcoming internships, campus cameos, and how you can pay us a visit.

During your 8 week internship you will have the opportunity to work with a Senior Estimator and a Project Manager in one of our many projects throughout the San Francisco Bay Area. You will also be exposed to hands on training in our Shop and Field operations.
